Contact us and find out how your label sells
with products of your choice !

Since 1979 we produce professional hair and
skin care. 31 years of experience enable us to
fulfill any wishes our customers may have. Not
only do we offer our quality standard products
but it is possible to change recipies as to
fragrance, colors and other attributes according
to your liking, depending on the quantity.

If you are interested we can also develop a
whole new series of products, no matter if it is
on a small or a large scale.

Our main customers are wholesalers,
hairdressers, beauty salons, beauty shops,
fitness-centers, hotels, retail chains, etc.

Dreiz Cosmetics unites tradition and the latest
developements on a high level.
Graphic designs for either printing or four-
colored labels are available for the different
vessels we offer. They can be filled with either
shampoos, treatments, careproducts,
conditioners, finishing products, perms,
perfumes or anything we create according to
your wishes.
Additionally we sell hair dyes for a reasonable
price.

To protect the environment most of our vessels
can be refilled with products in bulk that you
can also obtain and thus unnecessary waste
can be avoided.
